Mr. F. H. Garrett

Dear Sir:

Your favor of the 15th inst. \$125. for Notes &c recd. Thanks. with it I was able to settle up entirely with Mr. Bechtel. I notice you included the stamps in the amount. It is a small amount & I shall not quarrel with you over it. I presume you thought it was enough for the lot. I made a goose of myself in one thing however. Mr. Bechtel says he never had but one of those \$5 notes I charged you \$10 for, and that he could have told me a party that would be glad to take it of me for \$20. of course that is your good luck I didn't know it was worth so much.

I think in my letter you asked me for Confederate locals. I can furnish you a good many of these but not at any reduction from my list prices. Shall send them? I have also a good variety of Bonds would you like them to select from?

Respectfully
Wm. P. Brown
